THE ANGEL DEE'S

COLLECTION OF TONED BUFFALO NICKELS

Built over the course of many years by Buffalo Nickel specialist Andy Skrabalak and his wife Alynne, this is the finest collection of toned Buffalo Nickels to ever be auctioned off. Having access to the finest Buffalo nickels to appear on the market, the Skrabalaks aggressively bought the best of the best to appear. As finer, or better toned examples appeared, they would upgrade their set. Many of the coins are at the top of the population and each is exquisitely toned.

This wonderful set is now being broken up and sold as a highlight collection in our Regency 19 Auction. On the evening of December 15, collectors will finally be able to add these great coins to their sets. These are the coins that Buffalo Nickel collectors dream about, and this set has made a huge impression on collectors wherever it was displayed.
